Driving Directions

Coming from the city or north using the eastern distributor and the M5:

Follow the International Airport signs all the way along the Eastern Distributor; this leads onto the M5 after you have been through the Airport Tunnel (advised to keep over to the left lane). Take the first exit from the M5 (Marsh Street/Airport exit) and then you will see the Mercure Hotel Sydney Airport ahead after you have turned right onto Marsh Street. You will then turn left at the 2nd Street, which is Innesdale Road that leads into Levey Street.

Coming from the city or north and not using the eastern distributor:

Follow the International Airport signs (Note: you should be on Qantas Drive which becomes Airport Drive) and go past the International Airport which puts you now on Marsh Street and you will see the Mercure Hotel Sydney Airport on your right as you cross the Cooks River Bridge. Turn right (turning bay) into Innesdale Road then right into Levey Street.

Coming from the south along Princes Highway:

Follow the Airport signs and follow the Princes Highway until you reach President Avenue (Kogarah). Turn right at President Avenue until you reach West Botany Street and turn left (there is another Airport sign here) and follow West Botany Street right through 4 sets of traffic lights which will then become Marsh Street and then follow Marsh Street until you go through one more set of lights then turn left into Innesdale Road then right into Levey Street.
